

REMARKS

Claims 1-7 and 9-29 are pending. Upon entry of this response, claims 12, 13, and 30-36 will be pending, claims 30-36 having been added and claims 1-7, 9-11, and 14-29 canceled in the present amendment.

Allowable Subject Matter

Claims 12 and 13 were allowed.

103(a) Rejections

The rejected claims have been canceled rendering the rejections moot. Withdrawal thereof is respectfully requested.

New Claims

New claims 30 and 31 patentably distinguish over the cited references because the cited references fail to teach or suggest discarding a mistakenly filled-in geometric shape. New claims 32-36 are patentable over the cited references by virtue of their dependency from allowed claim 12 or 13.

CONCLUSION

The claims are allowable.

The Examiner is invited to contact the undersigned to discuss any matter regarding this application.

The Office is authorized to charge any fees or credit any overpayment to Deposit Account No. 11-0600.

Respectfully submitted,

KENYON & KENYON
